Stunning Surroundings

‘Steeped in romantic history, the beautiful Castle Dargan Estate will capture your heart...’

Set in the heart of Yeats Country, with 170 acres of parkland and ancient woodland against Sligo’s rolling hills. Castle Dargan Estate is an infusion of history and beauty with spectacular views of freshwater, old stone walls and ancient castle ruins. When entering the gates, the sweeping tree-lined driveway leads you to the 18th Century Castle Dargan House and Hotel. Your guests will be enchanted by timeless elegance and romance. Your guests are welcomed into the Coach House Lounge with its stunning vaulted ceiling. Here family and friends will mingle, enjoying your drinks reception in the warmth of the open log fire with the grand piano twinkling in the background. Alternatively, enjoy the summer sun outside on the lawn with the rolling estate as the most picturesque backdrop. The old-world merges seamlessly with the new and it is the new that provides the *pièce de résistance*.

The floor to ceiling glass walls of The Ormsby Ballroom with its uninterrupted panoramic views of the breath-taking estate. There is no backdrop more beautiful for your wedding day.
